

PLATEAU ELECTRIC COOPERATIVE

POLICY NO. B21

SUBJECT: ATHLETIC FIELD LIGHTING FOR MUNICIPALITIES AND
COUNTY GOVERNMENTAL ENTITIES, AND/OR POLITICAL
SUBDIVISIONS THEREOF

POLICY:

The Plateau Electric Cooperative may provide, own and maintain an athletic field lighting system for Municipalities and County Governmental Entities, and/or Political Subdivisions thereof, subject to the provisions in the Cooperative's outdoor lighting rate Schedule LP or any subsequent rate that may be adopted by the Board provided that the lights are mounted on wood poles that measure no greater than sixty-five (65) feet in length.

The installation and maintenance of any athletic field lighting system, requiring poles of greater than sixty-five (65) feet in length, shall be the responsibility of the customer. The Cooperative shall only install and maintain that portion of the lighting system that can be properly handled with existing Cooperative equipment.
